

Name: _____

Age: _____

Oh, You Twin Cities Turkey!

Fritz is a lucky turkey. He lives in a vibrant state that supports public radio and believes in its ability to add immense value to a community.

He feels lucky to have MPR as it celebrates 50 years of broadcasting. MPR News, Classical MPR, The Current, and all of their related programs and events are integral aspects of his life in the Twin Cities. Of course, the tote bags are pretty handy as well.
