

intro C, B, A D G C G

Just a little house

On a city street

Four writers in a hot house

Living in the smell of defeat

Another stormy night

Just as hot as the rest

Four writers riding roughshod

On the waves of an embittered quest

Roaming around the halls and the rooms

Roaming around in their neighborhood

Getting lost in their forest minds

Wondering why the world left them behind

Another stormy night

It is always the same

Four writers writing rubber checks

Never writing those novels and plays
