

Super Gold Monday: Art Activity

Draw yourself and three of your friends in the style of Julian Opie's artwork for the 2000 compilation album, *Blur: The Best Of* (see image at right).

We'll get you started by providing the grid below. Then it's up to you to draw and color in your friends, using Julian Opie's great artwork as your inspiration. Tweet your finished artwork to **@TheCurrent**. Good luck, and have fun!
